

# Eaton EASY512-DC-TC

Catalog Number: EASY512-DC-TC

Eaton easy programmable relay, Control Rel Transistor, Includes clock and display, 24 Vdc, 8 digital input, 4 transistor output

## General specifications

|                                                                                                                                                                   |                                                                                                                              |

## Product specifications

### Special features

Includes clock and display

### Type

Control Rel Transistor

### Input

8 digital

### Output

4 transistor

### Quantity

1

### Operating Temperature

-25° to 55°C

### Voltage rating

24 Vdc
